Mango Treat

Let us Talk

A. Identify the birds in the picture.

Ans: Crow, Myna, Parrot, Pigeon, Sparrow and Owl

B. How many animals or birds were eating the mango in the beginning?

Ans: In the beginning only 1 animal was eating mango.

C. How many more animals or birds joined every time?

Ans: Every time 1 more bird joined to eat mango.

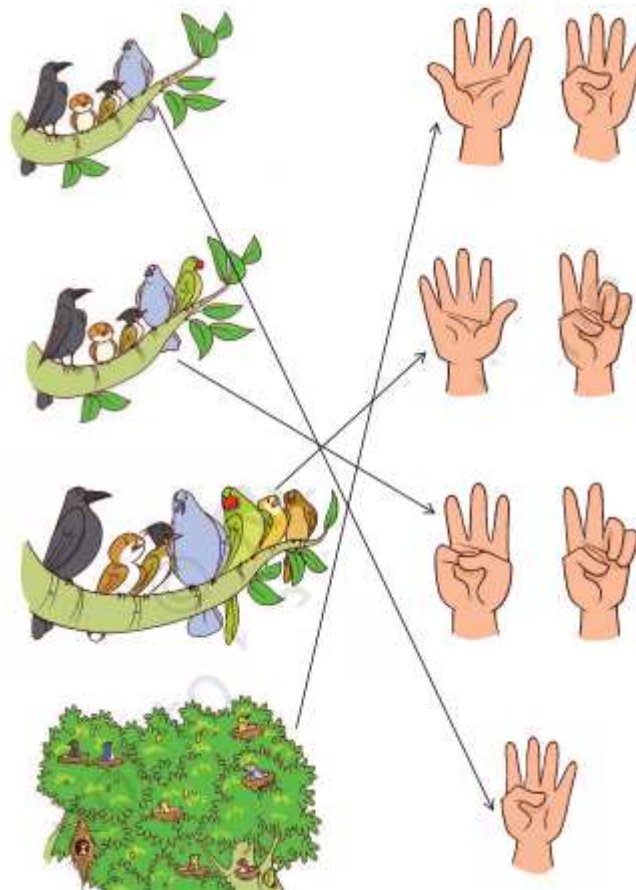

D. What is 1 more than 1, 1 more than 2... up to 9?

Ans: 1 more than 1 = 2, 1 more than 2 = 3, 1 more than 3 = 4, 1 more than 4 = 5,
1 more than 5 = 6, 1 more than 6 = 7, 1 more than 7 = 8, 1 more than 8 = 9

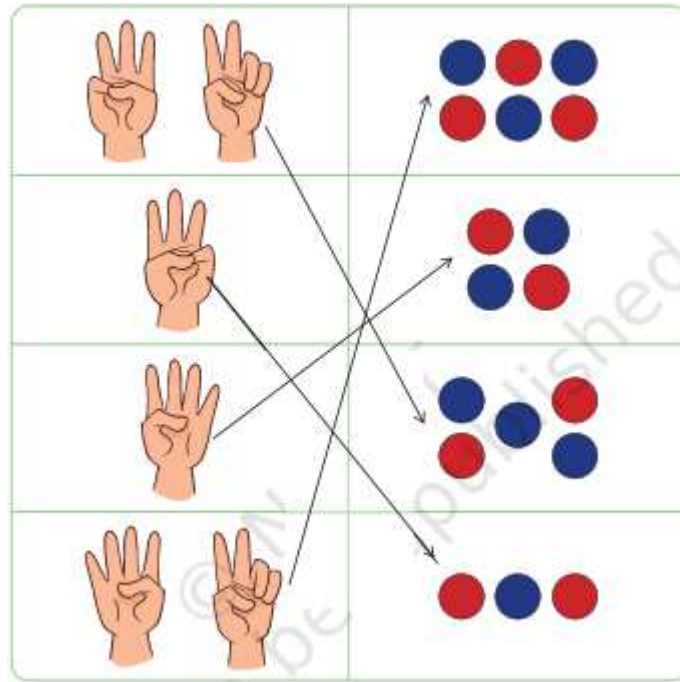

E. How many animals and birds ate the mango at the end?

Ans: At the end 9 animals and birds ate the mango.

Match the number of birds with the number of fingers.

Match the fingers with correct number of dots.

My Drawing Day

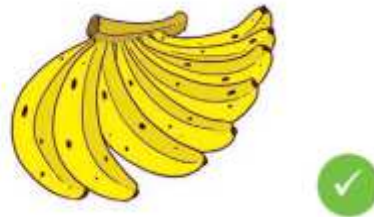

Help them to know if they have enough material. Tick more or less or equal.

Objects	More than the number of children	Less than the number of children	Same as the number of children
			<input checked="" type="checkbox"/>
	<input checked="" type="checkbox"/>		
	<input checked="" type="checkbox"/>		
			<input checked="" type="checkbox"/>
		<input checked="" type="checkbox"/>	

Let us Do

A. Tick the one which is more in number.

B. Tick the one which is less in number.

C. Tick the one which is less in number.

Count and Match

	3
	7
	5

Arrows indicate the following matches: 7 lotus flowers to the number 7, 5 elephants to the number 5, and 3 houses to the number 3.

Count and Colour

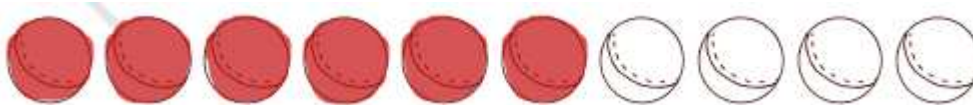

A. Colour 8 stars.

B. Colour 5 flowers.
